Culture**

**PROVINCIAL RECRUITMENT OF PUBLIC ARTS PROGRAMME PARTICIPANTS  
(REFERENCE DSAC-KZN PESP)**

As part of the Presidential Employment Stimulus Programme announced by the President to mitigate the impacts of the COVID 19 pandemic, The Presidency and The Department of Sport, Arts & Culture, in partnership with the KwaZulu-Natal Museum (Implementing Agent) are recruiting young people with the necessary skills and where necessary, relevant qualifications to be involved in any of the following 31 available work opportunities for a period of 2 months: 3 interns for COVID-19 prevention and control, 3 interns for databasing of heritage collections, 15 interns for the promotion of the Museum's heritage artefacts and national symbols murals, 1 intern for the Museum's marketing and online content development, 2 digital artists to produce creative promotional digital content for the Museum's social media pages and website, 3 interns for developing online content for education outreach, 1 intern for creating virtual tour of selected Museum galleries to be posted online, 1 intern for painting mural on the pillars at the Museum's reception area, 1 intern for the Supply Chain Management Unit, and 1 graphic artist for the Exhibitions Department.

The Programme aims to raise awareness on prevention of the COVID-19 pandemic and social ills such as Gender Based Violence. The beautification of community spaces will be done through this Programme, to instil community pride and create a sense of place. These beautified spaces can become sites of attraction for local tourism, contribute to the development of creative cities, towns and places of interest, at locales spanning both rural and urban areas. It is anticipated that the Public Arts Program will provide skills transfer and employment for visual artists, performing artists and the Programme Support services. The programme will make young people to be active participants in community development and nation-building initiatives of government's fight against the Covid 19 pandemic.

The successful applicants will also be required to fulfil the following functions, while participating in the programme:

- Implement Public Arts activities, in communities as identified by the Implementing Agent and schools.
- Create Public Arts project activities that are dealing with the themes of National Symbols, GBV and COVID-19 prevention awareness in selected communities.
- Maintain constant attendance of project activities and complete tasks as assigned by the Implementing Agent.
- Be prepared to work individually and as part of team(s) that implement, coordinate and support Public Arts activities in the community.
- Be able to work under pressure, take own initiative, have good inter-personal skills and understand community structures.
- Report on the project work activities areas they have participated in, and acquire skills and support Public Arts activities in the community.
- Compile and create a portfolio of evidence that include promotion and popularization of National Symbols of South Africa.
- Commit to use this time towards their own personal development and growth.

The following compulsory requirements will be used to select suitable candidates:

- Candidate must have a minimum Grade 11 qualification.
- Applications should be on Z83 forms obtained in all public offices.
- Candidate must indicate the exact job/internship/creative activity relevant to the above work opportunities.
